

Planning a Career in Transportation?

The California Department of Transportation, Stockton District, and the California Transportation Foundation are pleased to present a
\$500 scholarship

to an eligible student meeting the following criteria:

-  Graduating senior from a San Joaquin County High School
-  A GPA of at least 2.6 (verified by school administrator)
-  Plan to attend a university or junior college
-  Plan to pursue a career in Transportation

Interested?

In an essay (up to 500 words), tell us about yourself and why you are interested in Transportation as a career.

Submit essay before March 30, 2007

To:

Your school counselor for GPA verification.

Counselor will send essay and verification to the Department of Transportation.

Interviews may be scheduled at a later date.
